(1) **Featured Listing:** If your firm has a Featured Listing, then your firm will receive search priority, for example, if lawyers in Napier are searched, the firms with featured listings, in this area, will appear first on the page. A Featured Listing for your firm also includes: your firm's logo, a 200 – 500 word summary about your firm, and it also gives your firm the opportunity to receive quote requests from potential clients.

(2) **Spring Special Offer:** Take out a featured listing until 31 December 2009 and the balance of August 2009 together with December's featured listing are **FREE**.
